Thanks Carl for your voicemail. Our CD requirements is to “submit” the SIP to OFR for review and publication. Thus as long as we’ve submitted it to OFR, we’ve met our legal obligation, regardless of whether OFR has acknowledged receipt.

Do we have a record of when we sent it? That’d be helpful to have, in the event that OFR doesn’t acknowledge when we submitted it. Please let me know.

I’m copying Steve and Sara who wanted to make sure we met our CD obligation (they’ll be pleased to hear that we beat the deadline).
